Bull and Female Sale

December 2, 2017 • 1 p.m.

At the Farm | Athens, Alabama

Registered Red Angus

Bulls and Females

Will Sell!
Welcome…

to our third production sale. It is our desire to produce the kind of cattle that not only are we proud to put our name on, but that you will find meet your criteria for the kind that you feel confident taking home and putting out in your pastures. We are proud to offer a set of bulls and females that have been genetically designed and physically developed for efficiency, fertility and long term profitability with you, the customer in mind.

The Red Angus breed is in demand across the country, not only from first time cattle buyers, but also from lifelong cattlemen. Red Angus cattle have proven to be profitable, low maintenance, highly maternal, highly fertile, easy calving animals with quiet dispositions. They have also become a choice in the feedlot for their carcass value and marketability. We have always felt blessed and thankful to our Lord for allowing us to be a part of such a great breed of cattle and people.

The sale will be broadcast live on dvauction.com and you will be able to bid from your home if you are unable to attend the sale. If you are unable to attend the sale or watch and bid through dvauction.com, just give us a call ahead of time and we will help you in selecting the best bull or female for your dollar. We thank you for taking time to review the offering in this catalog and we hope to see you at the farm outside of Athens, AL on December 2, 2017. Please do not hesitate to give us a call to answer any questions or help you find the bull or female to meet your needs.

Osborn Red Angus

Guest Consignors:

McLean Red Angus (JEM prefix) | Jim McLean: (770) 595-3542
Osborn Red Angus has had the privilege of housing the McLean Red Angus herd here in Alabama for the past three years. The McLean cow herd has been integrated into our breeding program and all of the bulls and heifers offered in this sale under the “JEM” identification were born and raised here at Osborn Red Angus. McLean Red Angus has been raising Red Angus cattle for many years and the herd is well known, in the southeast and nationally, for breed leading genetics and quality animals.

Forbes Farm (FOR prefix) | Terry Forbes: (270) 871-2128
The bulls and females offered in this sale under the “FOR” identification animals that were born and weaned at Forbes Farm, Slaughters, KY. After weaning and were grown, at Osborn Red Angus, together with the entire offering. Forbes Farm is a long time breeder of Red Angus cattle and is well known at the SERAA Grasstime Auction for the high quality animals that he has always consigned to that sale.

Smeenk Livestock (97S prefix) | Randy Smeenk (256) 777-7257
The bulls offered in the sale with the 97S prefix are being offered by Smeenk Livestock. These bulls were born and weaned at Smeenk Livestock and then delivered to Osborn Red Angus to develop. Smeenk Livestock has a small herd of registered Red Angus cows with like kind genetics to ours.

Dixon Red Angus (DIX prefix) | Jed Dixon: (256) 614-4212
A new consignor, Dixon Red Angus has been raising red angus influenced cattle for several years now. With a small herd of 1A registered cows coming primarily from genetics purchased from Osborn Red Angus, they are able to offer animals that fit the desires of this sale.

Berry Animal Clinic, Ardmore, AL

Catalog by
Jane Adolph: 815-244-5456

Sale Day Lunch
Lunch will be served starting at 11:30 a.m. in the barn.

About us…

In North Alabama, our fall calves and cows have a tough road. The grass at this time of year is at its lowest nutritional level and the cows are asked to raise a calf as well as take care of themselves. Our cows winter on available pasture and hay. Our cows are not on a feed program at any time and the calves are not on creep feed at any time. You will find that our fall born calves, therefore, will have lighter weaning weights than you would find in our spring born calves. This does not mean that the fall calves are inferior to the spring born calves in any way. Using epd’s will give you the information to determine the animal’s genetic performance potential.

The coming two year old bulls were kicked out on grass in May and were then grazed on summer grasses and about the first week of October a high roughage feed ration was added to their daily diet. These bulls are hard and strong and ready to go right to the breeding pastures.

Our feed program, for developing the yearling bulls and females, consists of a TMR that was formulated to be a high roughage diet, 80% roughage/20% grain. It is not a maximum growing ration, but rather a ration that allows for proper structural growth while allowing the animals to express growth rate without excess fat. The bulls and heifers are on the same ration, with the heifers receiving less quantity than the bulls. We appreciate the help of Mr. Rick Syler, Animal Nutritionist, with the Giles County COOP in developing our feed ration with us.

Our goal is to have animals that are fit and ready to enter a program anywhere in the country.

Wet Weather Parking
In case of rain or mud, trucks and trailers are to park in the westside parking lot at Wooley Springs Baptist Church about a mile north of the sale location (see map). If you prefer not to unhook your trailer then call either Danny Osborn or Michael Osborn and a ride will be provided to the sale location.

Please Note…
We have had an unusually wet late summer and fall, so bring your mud boots to the sale!
Coming 2-Year-Old Bulls
All bulls have been GGP-LD and have genetically enhanced EPDs.

**TERMS:** Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle.

**PURCHASER'S RISK:** All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

**BIDDING:** Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

**CERTIFICATE OF REGISTRY:** A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

**ANNOUNCEMENTS:** Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

**HEALTH:** All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for international shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

**BREEDING GUARANTEE:** All animals are guaranteed by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices.

**LIABILITIES:** All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the Sale Manager from pedigrees and information supplied by sources of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

**PHONE BIDS:** Telephone bids will be taken by sale day phones listed on page 1 of the catalog.
